General Park, Boulevard and Cemetery Facts

Winnipeg's Park System is 56 years old

It is administered by a Board appointed by the City Council and known as the Public Parks Board.

Provision is made for every form of amateur sport

Children's playground equipment provided

Up-to-date refreshment facilities at the refresheries in Assiniboine and Kildonan Parks.

Public comfort stations and rest rooms provided in the large parks.

The only Conservatory and Palm House in the West

An interesting collection of native wild animals, besides lions, monkeys and polar bears.

Streets boulevarded have a frontage of approximately 212 miles.

Two Municipal Golf Courses, of 18 holes each. Kildonan Golf Course, adjoining Kildonan Park on Main Street, 3¼ miles north from the centre of the City. Windsor Golf

Course, situated in St. Vital, southeast of and 3¼ miles from the centre of the City

Brookside Cemetery, municipally owned, containing 168 acres, is situated one mile west of the western city limits on the north side of the continuation of Notre Dame Avenue. The Cemetery is maintained under the administration of the Public Parks Board, and lot owners are assured perpetual maintenance of plots and graves.

Sherbrook indoor Municipal Swimming Pool, located on Sherbrook Street just north of Portage Avenue with 20 showers and 480 lockers. Pool size—75 x 50 ft.

Two outdoor pools

SARGENT Location—Sargent and Downing. Large pool—150 x 50 feet.

FRITCHARD Location—Fritchard at Charles. Just recently converted to an outdoor Pool. Size—79 x 38 ft.

Park funds are secured from what is known as the Park Fund Levy which amounts to \$223,000.00 this year.

Recreation

Winnipeg, in common with cities and towns everywhere, has entered a new era faced with many problems. The solution to many of these problems will be found when Canadian Communities are made better places in which to live. The post-war restlessness of 'teen agers, and of the returned veterans will be effectively counteracted by attractive recreational facilities.

In 1945, Public Recreation was re-organized under the Public Parks Board. A full time Director of Recreation was appointed.

Winnipeg's Recreational Program is planned on a twelve month basis with opportunity provided for both sexes of all ages taking part.

Winnipeg has 45 supervised Summer Playgrounds. 35 are Junior Playgrounds with Play Apparatus, shelter building, and 18 Wading Pools. 8 are supervised on School Grounds and 13 on Community Club Grounds.

A Play Town, complete with Mayor and three Councillors is set up on each Playground.

30 Skating Rinks and 8 Hockey Pans are supervised during the months of December, January and February.

A Hockey League for Boys 12 years and under operates from these rinks.

There are 44 Community Clubs operating under the Association of Community Clubs.

There are 13 Activity Centres operated in School Buildings, during the fall and winter months.

A Craft Centre is operated in the basement of the Civic Auditorium.

Leadership Courses for the training of leaders are held at different periods of the year.

Funds for the operation of the Recreational Program are secured from the City Council as a yearly grant.

Funds for capital expenditures for facilities are secured by way of Money By-Laws.

Parks Directory

Park	Acres	Location
Assiniboine Park	290	South side of the Assiniboine River, 5 miles west from centre of City. (The Conservatory and Zoo are located in this park.)
